

# [CI] Add a new builder size

Find your projects equivalent `ci-management` repo (ex: <https://github.com/onap/ci-management>)

For Pricing go to:

<https://vexxhost.com/pricing/>

## Billing

submit a ticket asking to use monthly invoicing similar to our other accounts. Below is an example text for the ticket:

```
Subject: Monthly Invoice Billing
Department: Billing / Accounts
Body:

Hello,

Can we please get monthly invoicing set up the same as we have for our other Linux Foundation accounts?

Thanks,
<Your Name>
```
